Re: GN Docket No. 00-185 and CS Docket No. 02-52

Inquiry Concerning High-speed Access to the Internet Over Cable and Other Facilities  
and Appropriate Regulatory Treatment for Broadband Access to the Internet Over Cable

Dear Ms. Dortch:

On April 10, 2003, John Scheibel of Yahoo! and I met with Susan Eid of Chairman Powell's office to discuss the above-captioned proceeding. We discussed possible means to ensure that consumers have non-discriminatory access to Internet content free from externally imposed technological or economic impediments. We discussed potential problems relating to such discrimination, potential solutions, and the legal basis on which the Commission could implement such solutions.

Sincerely,

Riley Temple
